

# ARDMORE PARK

Car Park Resurfacing Phases 3 & 4

10 June 2013

To: All Residents

## **Car Park Resurfacing Works**

Please be informed that Phase 3 and Phase 4 of the car park resurfacing works will commence from 17 June 2013 to 14 July 2013. The affected areas are at Basement 2 of Block 9 & 11 as shown overleaf.

We seek your co-operation to:

1. Move your vehicles from these affected areas during this period. This will prevent any damage to your vehicles and dust from settling onto your cars. You may park your vehicles at either the unaffected areas of Basement 2 of Block 9 and Block 11 or at Basement 1 of Block 9 and Block 11.
2. Follow the directional signs closely when you are driving in Basement 2 of Block 9 and Block 11.

The Phase 3 works will affect the bicycles that are parked at Block 9 of Basement 2. We need your co-operation to move your bicycles to the Holding Area at the back of the service lift by 15 June 2013. Please approach our security officer at Basement 2 for assistance.

We will proceed to move all bicycles that are left behind after this date and the Management will not be held responsible for any damage caused to the bicycles during the move.

Thank you for your attention.

Yours faithfully,

Quah Soh Hoon  
General Manager  
Ardmore Park  
For and on Behalf of MCST Plan No 2645
