Car Park Resurfacing Works

Please be informed that Phase I and Phase II of the car park resurfacing works will commence from 20 May 2013 to 14 June 2013. The affected areas are at Basement 2 of Block 15 as shown overleaf.

We seek your co-operation to:

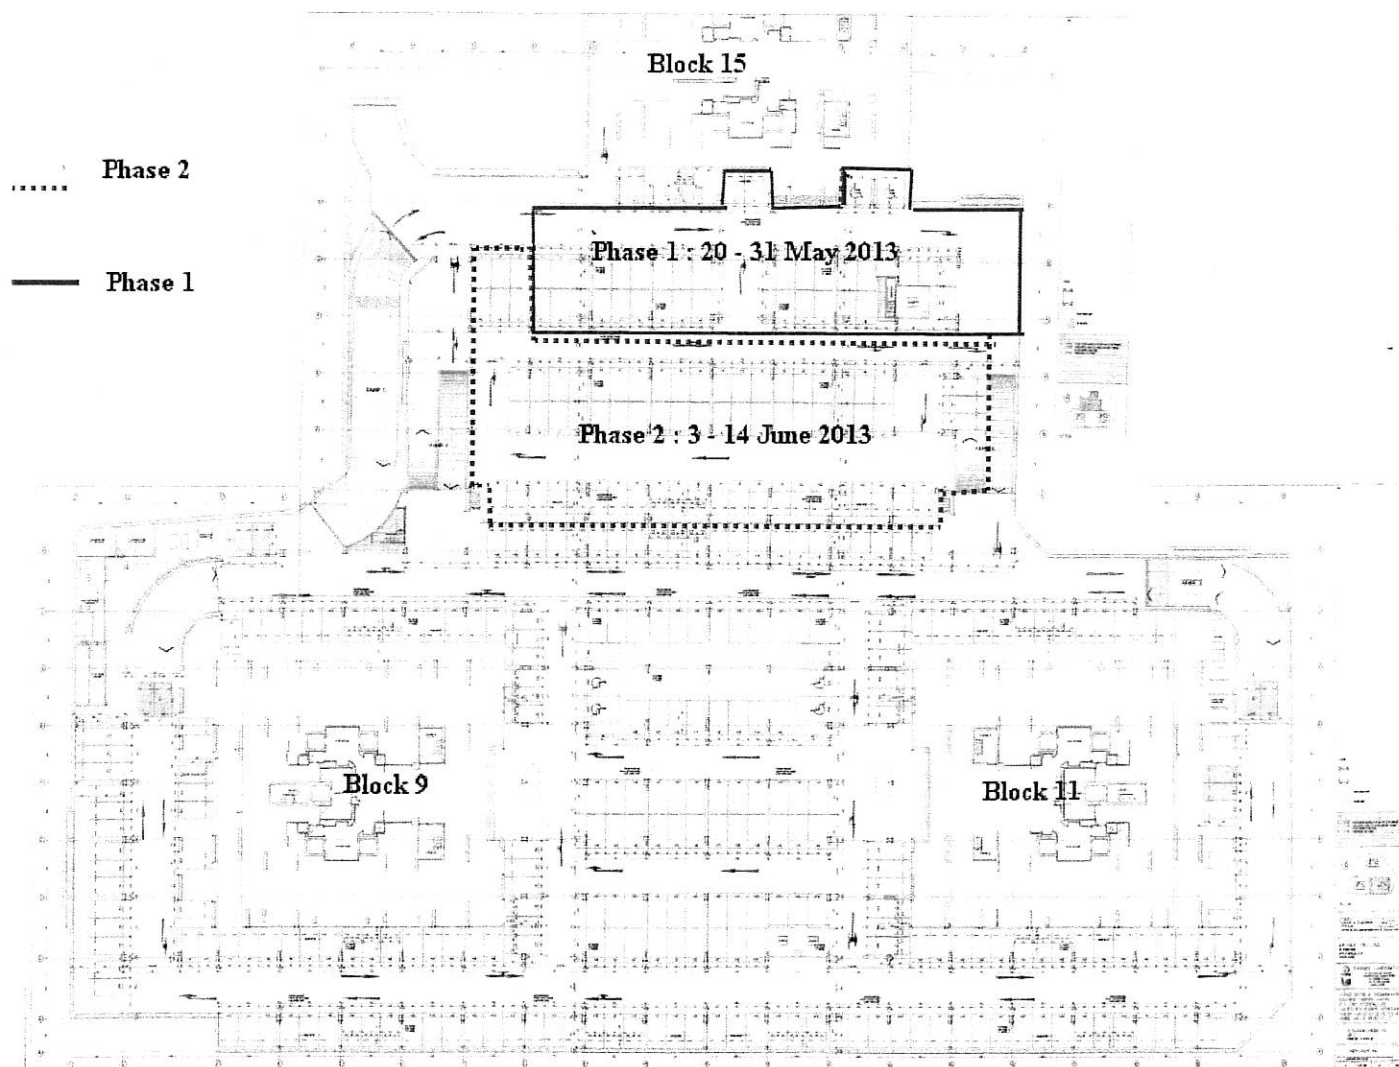

1. Remove your vehicles from these affected areas during this period. This will prevent any damage to your vehicles and dust from settling onto your cars. You may park your vehicles at Basement 2 of Block 9 and Block 11.
2. Avoid using the Rear Gate when entering or exiting Ardmore Park as vehicular movements will be restricted at the ramp.

Thank you for your attention.

Yours faithfully,

Quah Soh Hoon
