

Our Reference : Kfpam/2645/Circular/LT Servicing  
Date : 16 November 2020

Dear Residents of 9 Ardmore Park,

## **Postponement of Block 9 - Power Shutdown scheduled on 19 Nov 2020**

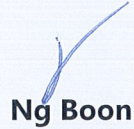

We refer to our circular dated 28 Oct 2020 on the Power Shutdown.

SP PowerGrid has informed that they would need to replace the High Tension Transformer at Block 9 in December 2020. SP PowerGrid have requested the Management to carry out the LT servicing together with their replacement of the transformer so as to minimise disruption of power to residents.

A separate circular will be given to you once we receive the confirmation date of the replacement from SP PowerGrid.

Thank you for your understanding.

Yours Faithfully,  
Knight Frank Property Asset Management Pte Ltd
